About

I practice law as an independent Barrister specialising in commercial law and litigation, and under the Conduct Rules of the Western Australian Bar Association.

- I appear as counsel in trials and appeals and hearings in Australia, but principally in Western Australia.
- I appear extensively as counsel in mediations.
- I appear as counsel in arbitrations.
- I also appear as counsel before Statutory Boards and Tribunals, particularly the State Administrative Tribunal.
- I appear in Royal Commissions, such as the City of Perth Inquiry, for example.

Appearances as Counsel

There are many cases that don't see the inside of the courtroom, such as mediations and arbitrations, and advice work done in chambers. Since joining the bar, my experience has been in the following legal areas:

- Property Law disputes & advisory work (Leases, Easements, Grants, Title, Equitable title, Mortgages, Constructive Trusts, Resulting Trusts).
- Equity and Trusts - priority disputes, resulting trusts, express trusts & Injunction proceedings.
- Wills & Estates disputes (Elder and Succession Law).
- Building, Construction and Engineering disputes and claims (EOT, Delay, AS 2124 and JCT cases, Adjudications, and arbitrations, disputes involving arbitrations and arbitrators.
- Business Sales disputes & advisory work (Trade Practices Act) i.e. The Australian Consumer Law Claims and defences.

- Commercial Law disputes (Sale of Goods including Retention of Title claims and Restraint of Trade cases).
- Insurance law cases (Indemnity disputes, Broker's duties, public liability claims).
- Local Government advice and representation.
- Defending criminal charges, brought under the OHS Act and the Mines Safety and Inspection Act.
- Financial services disputes (acting for and contrary to banks in litigation) and acting for and against financial advisors.
- Medical Negligence cases (involving the defence of Hospitals, Doctors, and Nurses).

A search of my surname on Austlii will bring up most of the cases I have been involved in which have involved hearings ending in judgment.
